

Remembering Rock...

July 2015 Prayers, Praises & Updates from Rock Mountain Bible Camp

“WAKE UP sleeper, rise from the dead and Christ will shine on you!” This is our theme verse for the summer AND the words to a newly-composed catchy tune that will both get stuck in your head, and help you memorize scripture at the same time. These verses are a call to ACTION! Wake UP! RISE! And Christ will shine on you! This call to new life, empowered by Christ is at the heart of all that we do at Rock Mountain. As our core values state, we desire to “live by the truth that all things flow from Jesus Christ.”

And in these summer months, we get to spend all day, every day serving people with the same goal, and being a part of God’s work at camp. Pray for us during these long days and busy months, for clarity and focus on what God is doing, as He calls people to WAKE UP! and creates new life in them!

Pray with Us...

- For Teen Camp, Northridge Church, Junior Camp, Faith Free Presbyterian Church, Reformed Episcopal Church, NY/NJ AOG Kids Camp, Multicultural Church of Peace & Worship Cathedral, coming to Rock this month!
- For our summer staff team! They are enthusiastically serving and growing—pray for great encouragement for them this summer!
- For our speakers, counselors, staff and campers during Teen Camp and Junior Camp. Pray for God to change hearts and lives during these weeks!

Thank God with Us...

- For a great weekend of Mini-camp! Amidst rainy weather and crazy winds God kept us safe, and parents and kids alike enjoyed camp together!
- For the past several weeks of staff training. The relationships developed, time spent in prayer for the summer, learning tasks and reviewing our Core Values, and Mission are both busy, and encouraging as we build our team to serve God together this summer!
- For God’s provision of two new-to-us minivans! They are a huge blessing to our ministry this summer!

Run with a Purpose, still has a purpose; though the timeline may be adjusted a bit. We are still in great need of additional staff housing, and it is John’s desire to continue to fundraise towards this goal. However, as he is currently unable to run due to a muscle/bone-related injury in his shin (no running for 6-8 weeks) he is currently looking at, & praying through different opportunities to raise support! Please pray for John, and we will keep you posted on future marathon-plans.
